

Website Information for
NPDES General Permit #2

The following is the website for the Stormwater Permit Application and/or to check if a General Permit #2 is current:

<https://programs.iowadnr.gov/stormwater/pages/advanced.aspx>

To check if there is or was a permit go to:

Facility Name: (this is the name of the subdivision) can choose from dropdown box

Facility County: Dubuque

Hit Search

Or **Facility County:** Dubuque

Section:

Tier:

Range:

Hit Search

1) If the search finds a current permit click on the RED ARROW and you should get the permit information, file number and authorization number.

- Click Permit (in blue at top of the page)
- Right Click – print a copy of the permit or
- You can hit Download PDF of Permit Authorization, then
- Select a Format (top right of page) Acrobat (PDF) file – Export – Do you want to open or save... (open) then print authorization letter

2) If there was a previous permit for the subdivision but it is not current (Permit Status shows up as Discontinued) you can renew the permit without having to publish a notice. You will need the permit authorization number then:

- Go to Online Application at the top of the page
- Click I want to renew my permit authorization
- Go through Steps 1-7 to submit the application

3) If there is no previous or existing permit contact the DNR to get a Notice published in two local papers and then get your permit started (see contact information below)

- Go to Online Application
- Click – I want to apply for a new permit authorization
- Go through steps 1-7 to submit application

Information you will need to complete a permit:

Location: (Road Name)

Legal Description : Example - Silver Oaks Subdivision Lot 8

Qtr. Section: Section:

Township/Tier: Range
