

**Magistrate Appointing Commission Members
for
Dubuque County, Iowa**

The merit selection system involves a nonpartisan commission that reviews the qualifications of applicants for judicial office. Applicants provide the commission with extensive information about their education, professional career, and qualifications. In addition, the commission conducts interviews of all candidates. Once the commission screens and interviews applicants, it forwards a slate of nominees to the governor who makes the final appointment. Members serve six year terms.

All terms expire December 31, 2020, unless otherwise noted
