PREAMBLE

This AGREEMENT entered into by DUBUQUE COUNTY BOARD OF SUPERVISORS, hereinafter referred to as the "EMPLOYER" and the TEAMSTERS UNION LOCAL 120, affiliated with the International Brotherhood of Teamsters hereinafter referred to as "UNION", for the purpose of promoting peaceful relations between the Employer, its bargaining unit employees, and the Union; establishing an equitable and peaceful procedure for the resolution of differences which may arise under the contract; and bargaining for wages, hours, vacations, insurance, holidays, leaves of absence, shift differentials, overtime compensation, supplemental pay, seniority, transfer procedures, job classifications, health and safety matters, evaluation procedures, procedures for staff reduction, in-service training, and other items covered under the scope of negotiations outlined in the Iowa Public Employment Relations Act.

In order to maintain the existing harmonious relationship between the Employer and Employees, to promote the morale, well-being, and security of employees, to maintain a mutually agreeable set of working conditions, to facilitate a peaceful adjustment of all grievances and disputes which may arise regarding wages, hours and other negotiable conditions of employment, the contracting parties set forth the following agreement:

RECOGNITION - ARTICLE 1

- A. The Employer recognizes the Union as the exclusive bargaining representative for its bargaining unit employees identified herein, with respect to items covered under the scope of negotiations outlined in the Iowa Public Employment Relations Act, and other such matters as have been mutually agreed upon and specifically set forth herein.
- B. The bargaining unit for the purposes of this Agreement consists of that unit designated by the Public Employment Relations Board in its decision rendered on October 9, 1975, Case Number 69, and as amended by the Public Employment Relations Board.

MANAGEMENT RIGHTS - ARTICLE 2

- A. It is recognized that, except as expressly stated in this agreement, the Employer shall retain whatever rights and authority as are necessary for it to operate and direct the affairs of the County in all of its various aspects, including, but not limited to, the right to direct the working forces; to plan, direct and control all the operations and services of the County; to determine the methods, means, organizations and number of personnel by which such operations and services are to be conducted; to assign and transfer employees; to schedule work hours and to authorize overtime; to determine which goods or services should be made or purchased; to hire, promote, demote, suspend, discipline, transfer, discharge or relieve employees for any legitimate reasons; to make and enforce reasonable rules and regulations; to change or eliminate existing rules, methods, equipment or facilities; to contract and subcontract work of the County, provided such subcontracting is not done for the sole purpose of undermining the Union.
- B. The listing of these rights shall in no way diminish any other management rights retained by the County.

BULLETIN BOARDS - ARTICLE 3

The Employer will provide reasonable space on one (1) bulletin board in a mutually agreeable location for official Union notices.

PAYDAY - ARTICLE 4

Payday for all employees shall be every other Friday or the nearest day to these days in the event they fall on a non-working day. Employees may arrange to have checks mailed to them, directly deposited in the bank, or may pick them up at the offices after 3:30 pm on pay day. Effective July 1, 2011, all newly hired employees of Dubuque County shall have their payroll directly deposited to a financial institution of their choosing.

DISCIPLINE AND DISCHARGE - ARTICLE 5

- A. Disciplinary action shall be handled in the following progressive manner, except in cases of a major violation. The first (1st) offense an oral reprimand will be issued. For the second (2nd) offense a written reprimand will be issued. For a third (3rd) offense an unpaid suspension of one (1) to three (3) days may be issued. For a fourth (4th) offense an unpaid suspension of three (3) to six (6) days may be issued. The fifth (5th) offense will result in termination of the employee. All disciplines will be issued in writing from the County and must be for just cause.

Regardless of the number of violations, after two (2) years the violations shall be removed from the employee's file. After one (1) year of violation free service all active reprimands shall be removed from the employee's file and record of all previous offenses will be disregarded with relation to all future violations. Any violation of Article 24, numbers 1, 2, 3, or 4 of the Rules and Regulations shall be considered major violations and shall be grounds for immediate dismissal from County employment.

- B. In addition to the disciplinary action outlined in "A" above, demotions under certain conditions and reductions in salary shall be considered as disciplinary actions and may be utilized to bring about reasonable and acceptable standards for the department as a whole, and to bring about better observance of working rules and regulations, where the conduct of the employee is such that immediate disciplinary action is needed.
- C. All reprimands, suspensions, demotions, reductions in salary and discharge shall be in writing with a copy to the employee and to the Union Business Representative. Such notices shall be given to the employee in private.
- D. Appeal from disciplinary action shall be made to the grievance procedure provided in Article 20 of this Agreement.

SENIORITY - ARTICLE 6

- A. The term "seniority" shall mean the length of continuous full-time service to the Employer, since the employee's last date of hire as a full-time employee, or the length of service as a part-time to the Employer for permanent part-time employees, and shall include the time spent in the military in accordance with Section 29A.28 Code of Iowa. Seniority shall be broken only by discharge, resignation, or more than one (1) year layoff. Seniority dates shall be adjusted to reflect authorized leaves of absence without pay for periods of more

than thirty (30) days for personal reasons. For the purpose of this Article, seniority will not be adjusted for an unpaid leave of absence for medical reasons which has been substantiated by the employee's doctor.

- B. For the purpose of promotion; qualifications and ability to perform the work shall be considered. If all qualifications are equal, the most senior employee will be granted the position.
- C. A seniority list showing all full-time and permanent part-time employees and their dates of employment shall be prepared by the Employer with copies to the Union.
- D. Permanent part-time employees who become full-time employees will have their part-time seniority prorated into full-time seniority for benefit purposes only (i.e., vacation). For every year of permanent part-time service, seniority will be converted to one-half (1/2) year of full-time seniority.
- E. Upon written request from the employee, County Department Heads may allow reasonable opportunity to cross-train employees within their offices. Employees will be paid at their current rates of pay during in-house training.
- F. Supervisors and non-bargaining unit employees will not be used to perform work currently or previously performed by bargaining unit employees covered under this Agreement.

EMPLOYEE STATUS / BENEFIT ELIGIBILITY AND PROBATION PERIOD - ARTICLE 7

PURPOSE: The purpose of this Article is to define employee eligibility for benefits outlined in this Agreement. It is not intended to define an employee's employment status.

- A. Permanent full-time employees are defined to be employees that normally work thirty-one (31) hours per week or more for a duration of more than four (4) months. Permanent full-time employees are eligible for all benefits outlined in this agreement.
- B. Permanent part-time employees are defined to be employees that normally work 20 hours per week up to 30 hours per week for a duration of more than four (4) months. Permanent part-time employees are eligible only for benefits specifically outlined in this agreement.
- C. Temporary part-time and temporary full-time employees are defined to be employees that normally work for a duration of less than four (4) months. Temporary employees, interns and student assistants are not eligible for benefits outlined in this agreement. Temporary employees that work in excess of four (4) months will be considered new employees, will be eligible for benefits outlined above and shall serve the standard six (6) months probation period following the initial four (4) months of employment.
- D. The probationary period for new employees shall be the first six (6) months of employment. During the probation period the employee shall have no seniority rights or recourse to the grievance procedure. The Employer may terminate probationary employees at any time during the probation period without recourse from the employee. Probationary employees are not eligible for benefits outlined in this agreement. (Upon successful completion of the probationary period, the employee shall be entitled to personal days accrued and to sick days accrued but not granted from the initiation of the probationary period.)

- E. Temporary part-time employees, and part-time employees who are not eligible for benefits may, from time to time, fill vacancies of permanent, full-time employees. Those employees, for purposes of benefit eligibility, shall serve the six (6) month probationary period described in Article 7, Section D prior to becoming entitled to vacation, personal days, sick days and holiday pay.

For offices outside the County Courthouse such posting shall be e-mailed to them and posted immediately. Employees of the office in which the vacancy occurs shall have the first priority for the position, based upon qualifications. If all qualifications are equal, the most senior employee will be granted the position.
2. Full-time employees in the bargaining unit outside the office in which the vacancy occurs shall have the second priority for the position, based upon qualifications. If all qualifications are equal, the most senior employee will be granted the position.
3. Permanent part-time employees of the office in which the vacancy occurs shall have the third priority for the position, based on qualifications. If all qualifications are equal, the most senior employee will be granted the position.
4. Permanent part-time employees in the bargaining unit outside the office in which the vacancy occurs shall have fourth priority for the position, based upon qualifications. If all qualifications are equal, the most senior employee will be granted the position.

Following the successful completion of the probationary period the employee shall be considered a permanent employee within such classification.
7. For the purposes of calculating full-time vacation and sick leave benefits the employee's last date of hire as a continuous full-time employee will be utilized.
8. When permanent job openings occur within the bargaining unit and no qualified unit employees post for the position, the employer may post the position at a lower level (under-fill) in order to allow minimally qualified

employees an opportunity for advancement. In such cases, the employee will serve the normal three (3) month probationary period. If the employee gains permanent status in the position under the provisions above, he/she shall be required to serve at least one (1) year (including probation) in the "under-fill" status. Performance reviews will be conducted at three (3), six (6), nine (9) and twelve (12) month intervals and the employee counseled as to his/her work progress. Upon completion of one (1) year in the "under-fill" position and favorable performance reviews, the employee shall be promoted to the level of the position under-filled.

9. Nothing in this article shall preclude the right of the Employer to eliminate a position, or fill a position at a different level, for positions that become vacant. When the employer determines that it will eliminate a position or fill a position at a different level, the Union shall be notified prior to the time that a personnel requisition is presented to the Board of Supervisors, when the position is to be filled at a different level, and prior to the time that the duties for the position that is to be eliminated are assigned to other employees.

which he/she shall receive for such training period.

HOURS OF EMPLOYMENT AND REST PERIODS - ARTICLE 10

- A. The specific hours of employment for employees shall be set by the responsible elected or appointed official. The elected or appointed department head or his/her designee shall schedule work hours. Nothing in this Article, including outline of the specific hours below, shall preclude the responsible elected or appointed department head from changing the specific hours of employment.

Normally, this rest period shall be in the middle of each shift. Lunch hours shall be unpaid and shall be scheduled at the discretion of the department head. Under no circumstances shall employees be entitled to accumulate compensatory time or receive compensation for breaks not taken. All employees shall punch a time clock if required. Employees called in to work outside their normal hours shall be guaranteed two (2) hours work or two (2) hours pay.
- C. At the discretion of the appropriate department head, employees may request to be scheduled to work flexible schedules varying from the normal workday above. Requests for flexible schedules must initially be presented to the Personnel Department. This subsection (C) is not subject to the grievance procedure.
- D. Maintenance employees shall work a variable schedule and workweek at the direction of the Dubuque County Maintenance Superintendent. Maintenance employees shall be entitled to a fifteen (15) minute rest period during each one half ($\frac{1}{2}$) shift.
- E. In the event of inclement weather such as snow, fog, or ice, which might create hazardous traveling conditions to and from an employee's home, an employee may request and receive approval from his/her department head, permission to leave work early or arrive late. The employee may receive pay for time away from work because of inclement weather conditions, subject to the department head's approval, by making up the time away from the job within the same pay period, using vacation, personal days, or compensatory time if applicable.

OVERTIME - ARTICLE 11

- A. All hours worked in excess of forty (40) hours in a work week shall be paid at the rate of one and one-half (1 and $\frac{1}{2}$) times the employee's normal hourly rate of pay.
- B. Compensatory time off in lieu of cash may be taken upon mutual agreement between the employer and employee. Scheduling of such compensatory time off shall be at the discretion of the employer. Compensatory time shall not be allowed to accumulate in excess of thirty-two (32) hours and shall be taken in increments of no less than four (4) hours within twelve (12) payroll periods from the time earned.
- C. In a week in which a paid holiday(s), as specified in Article 13 of this Agreement, the Holiday pay shall be utilized for computing weekly overtime.
- D. Probationary employees shall be eligible for holiday pay upon successful completion of three (3) months of employment.

VACATION - ARTICLE 12

A. ACCRUAL

1. Employees, except seasonal and part time (those who work less than thirty (30) hours per week), shall be granted an annual paid vacation for the period specified below, based on the following service requirements:

One (1) week paid vacation will be allowed after completion of one (1) year of employment.

Two (2) weeks paid vacation will be allowed after completion of two (2) years of employment.

Three (3) weeks paid vacation will be allowed after completion of five (5) years of employment.

Four (4) weeks paid vacation will be allowed after completion of twelve (12) years of employment.

Five (5) weeks paid vacation will be allowed after completion of twenty (20) years of employment.

2. For full-time employees, one (1) week of vacation shall be considered a five (5) day period, unless the normal workweek is different. A workday or workweek shall be construed to mean the normally scheduled workday or workweek of the employee.
3. Permanent part-time employees as defined above shall earn a pro-rated vacation based on the total number of hours worked in their anniversary year, divided by fifty-two (52) weeks.
4. No vacation shall be granted during the first year of service, but upon satisfactory completion of the first year of service, vacation shall accrue to the employee for the full year.
5. Vacation shall not accrue during time on layoffs, suspensions, or leaves without pay. All vacation must be used in the seniority year following that in which it was accrued. Vacation accumulation not used during this year will be lost, unless the employee, prior to the end of the seniority year, makes a request in writing to their supervisor to carry over the unused vacation. When making such request for carry over, the employee will also indicate the time period that he/she is planning to take such vacation. Vacation carry over shall be limited to three (3) months from the end of the employee's seniority year.
6. On separation from the Employer for any reason, all vacation accumulation for completed months of service shall be paid for in cash, in a lump sum, at the hourly rate of the employee on his/her final paycheck.

B. REQUESTS

1. Any employee desiring and entitled to vacation must submit a written request, at least two (2) weeks in advance of the vacation, to his/her department head stating the specific time for his/her request of vacation. The request will not affect the efficient operation of services to the Employer as determined by the Department Head. In cases of emergency the two (2) week provision may be waived by the Department Head.
2. Requests for vacation in increments of one week or more shall be made at least two (2) weeks prior to the vacation, to the appropriate Department Head, stating the specific time for the vacation. Granting of the request shall not affect the efficient operation of the services to the employer as determined by the Department Head. Employees may utilize vacation for absences of less than one week, but not less than one-half day, with the approval of the Department Head. Vacations in increments of less than one-half day may be granted at the discretion of the Department Head.
3. For full-time employees, seniority shall determine which employee will be given preference for a vacation for written requests prior to three (3) months before a vacation period. The earliest request will determine which employee will be given preference for a vacation for written requests within the three (3) months before a vacation period, if time within that vacation period is still available.
4. An employee who has scheduled, requested and been granted a vacation in the last month of his/her anniversary year, and is then requested to return to work by the employer, may carry over vacation to the next year. The carryover shall be taken in the first four (4) months of the following seniority year.
5. Any employee who is on vacation that extends through a holiday, shall not be charged for a day of vacation for a holiday.
6. Employees who are eligible for two (2) weeks or more of vacation shall be allowed to donate up to twenty (20) hours of vacation to a co-worker within the bargaining unit who has exhausted all sick leave and unscheduled paid time off which includes, compensatory time, vacation and personal days. Employees will be limited to donating up to twenty (20) hours of vacation per contract year. Vacation hours donated shall be on an hour for hour basis regardless of the hourly rate of pay of the employee donating hours or the employee who is receiving the donated hours. The donated hours will not entitle the employee receiving hours any additional benefits such as insurance coverage once there has been a break in benefit eligibility. Employees donating hours shall be responsible for making arrangements with the payroll department.

HOLIDAYS - ARTICLE 13

- A. All full-time and permanent part-time employees, except probationary, seasonal and ineligible part-time employees as defined above are eligible for the following paid holidays and subject to the limitations below:

New Year's Day
President's Day
Memorial Day
Independence Day
Spring Holiday
Labor Day
Martin Luther King Jr. Birthday

Veteran's Day
Thanksgiving Day
Day after Thanksgiving
Christmas Eve Day
Christmas Day
New Year's Eve Day

- B. Whenever any of the listed Holidays falls on a Saturday, the preceding Friday shall be observed as the Holiday. When a listed Holiday falls on a Sunday, the following Monday shall be observed as the Holiday.
- C. Work performed on the above holiday periods by eligible employees shall be paid for at one and one-half (1 ½) times the normal hourly rate in addition to the holiday pay.
- D. To be credited with these holidays, it is necessary for the employee to work, or be on pre-requested vacation or sick leave, the day before and after the holiday. Verification may be requested for a sick day taken either before or after the scheduled holiday.
- E. A paid holiday shall be construed to mean payment for the normal schedule of hours of the employee.
- F. For employees of the Child Support Recovery Departments, employees are expected to "cover" those holidays that are worked by State employees. However, employees are entitled to a floating holiday for each holiday they are required to work. The selection of the floating holiday shall be by seniority within the Department and employees shall have six (6) months to use such floating holiday from the date of the official holiday worked.
- G. Probationary employees shall be eligible for holiday pay upon completion of three (3) months of satisfactory service.
- H. Employees required to work on Christmas Eve, Christmas Day, or New Year's Eve Day will be paid double time for the hours they work, except that employees working in offices shared with other government entities shall not be paid double time to work on those holidays if they are offered an additional day off to compensate for the holiday. For all other holidays, employees will be paid time and one half their regular hourly rate when they are required to work on a holiday, except as provided in Section F of this section.
- I. Should legal action be initiated against the County for the Good Friday Holiday, the Union agrees to discuss substitution of the Good Friday Holiday for a different Holiday.

SICK LEAVE - ARTICLE 14

A. ACCRUAL

- 1. All permanent full-time employees shall accrue sick leave at the rate of one-half (½) day of sick leave for each full pay period of service, based on twenty-six (26) pay periods per year. Time on layoff, suspension, or leave without pay shall not be counted in determining a full pay period of service. Sick leave shall accrue but not

be granted during a new employee's probationary period. Sick leave will be paid only for approved time off duty, within the employee's normal workday.

2. Permanent part-time employees as defined in Article 6 shall accrue sick leave based on the number of hours that they are normally scheduled to work. Employees scheduled to work between twenty (20) and twenty-nine (29) hours per week shall accrue two and one half (2.5) hours of sick leave per pay period. Permanent part time employees regularly scheduled to work thirty (30) hours or more per week shall accrue three (3) hours of sick leave per pay period. Permanent part-time employees will be allowed to accrue up to 464 hours of sick leave.
3. Sick leave credits may be accumulated at the rate of ninety-seven and one-half (97 ½) hours per year with a maximum accumulation of nine hundred and fifty hours (950 hours) for permanent full-time employees.
4. Special Accumulation: An employee who has accrued the maximum 950 hours of sick leave shall accrue an additional thirty days (30) days of special sick leave accumulation at the rate of pay of two days per month of continuous employment in accordance with this Agreement.

The Special Accumulations may be converted by the County at the employee's regular rate and shall only be used to pay for the employee's normal health insurance premium, for up to one (1) year duration, upon request, if the following conditions are met:

- a. An employee must exhaust all regular sick leave accumulation, vacation accumulation, personal days and compensatory time.
- b. An employee must be on approved unpaid leave of absence for medical purposes.

Usage of sick leave, three consecutive days and less, after maximum days' accumulation is reached will be deducted from both the Regular and Special Accumulations.

B. USAGE

1. Use of sick leave is a privilege that may be granted or denied by the Employer. Sick leave may be granted for periods of less than one (1) day, but not less than one half (½) hour or multiples of one half (½) hour. Sick leave shall not be paid for more than the employee's normally scheduled hours.
2. Unless the privilege of sick leave is abused, sick leave will be granted in case of:
 - a. Illness or injury of the employee causing absence from work.
 - b. Acute need on the part of the employee for medical or dental care.
 - c. Medical or dental care for the employee which cannot be deferred until, or obtained after working hours or a day off duty. Sick leave will be paid only for approved time off duty within the employee's normally scheduled work day.
3. Sick leave is not intended to provide for practical nursing care of the immediate

family. However, an employee may use up to six (6) days of sick leave per calendar year for serious illness or hospitalization of the employee's immediate family, or to make arrangements for the proper care of members of the immediate family.

Immediate family shall include the employee's spouse, minor children (living in the same household), Step parents, Step children and/or grandchildren, and family members listed in Article 18A and 18B who are dependent upon the employee for health care needs. The employee may also use personal days, vacation and unpaid leave of absence for health care for members of the immediate family.

4. An employee who is on sick leave that extends through a holiday period shall not be charged for a day or days of sick leave for the holiday period.
5. **REQUESTS:** Employees shall be responsible for notifying their Supervisor of their request for sick leave. In the event that an employee will be absent from work or late arriving to work because of an illness, they shall notify their Supervisor prior to their normal start time if possible. If the employee must leave work prior to the end of their normal shift, the employee shall notify their Supervisor or someone in their office (if the Supervisor is unavailable) that they are leaving and using sick leave under this agreement. The request may originally be made orally, but shall be submitted in writing when the employee returns to work. The Employer shall be responsible for obtaining all the data necessary and for determining whether the time off may be granted as sick leave and for determining whether or not the employee is abusing the sick leave privilege.
6. **VERIFICATION:** Sick leave shall not be granted for more than three (3) working days without satisfactory proof of illness or injury shown either by a statement from the attending physician or by other proof satisfactory to the Employer. The physician's statement shall contain a diagnosis, a recommendation that the employee be granted leave and when possible, an indication of the length of time it will be necessary for the employee to be absent. In cases where these factors are vague or not shown, the Employer will obtain the necessary information from the physician by telephone, and make a written record of the call.
7. **ABUSE:** Abuse of sick leave is detrimental to the welfare of the other employees, unnecessarily delays work, and is costly to the Employer. The Employer may request proof of illness or a doctor's certificate for any sick leave. Failure to furnish verification or a doctor's certificate, when requested, will result in loss of sick leave pay. If an employee uses sick leave frequently, but for periods of less than three (3) days, the Employer shall require that the employee bring a statement from his/her physician before further sick leave is granted. Proper disposition of such cases will be determined upon a review of the physician's statement, an interview with the employee and if advisable, a discussion with the physician. Abuse of sick leave shall be considered basis for:
 - a. Denial of further use of the leave privilege for a specified period.
 - b. Unfavorable promotional ratings.
 - c. Suspension or dismissal.

8. **LIMITATIONS:** When an employee requests vacation for a definite period and the request is granted, any period of illness during the period of such leave may be charged to vacation as originally granted. Sick leave may be used to cover additional absence, subject to approval by the Employer.
 9. Employees on sick leave may use all accrued vacation after sick leave accumulation has been exhausted. Thereafter, they will be considered to be on an unpaid leave of absence.
- C. RETIREMENT:** All bargaining unit employees shall be paid 100% of accrued sick leave at retirement and upon verified retirement to the Iowa Public Employee's Retirement System. Payment will be based on the employee's regular hourly (straight time/base) rate of pay at the time of retirement. Payments will be made bi-weekly over a five (5) year period. The payment will be considered income and subject to appropriate taxes. In order for a retiring employee to be qualified for such payment, he/she shall have completed twenty (20) years of continuous service with Dubuque County or retired as a result of a disability and must be eligible for full pension payments from the Iowa Public Employee's Retirement System immediately upon retirement. Employees who qualify for sick leave pay-out that have two hundred (200) hours or less of accrued sick leave, shall receive a lump sum pay-out of their sick leave upon retirement. In the event a retired employee dies before all of the unused sick leave is paid, such payment will cease at the time of the retired employee's death.

PERSONAL DAYS - ARTICLE 15

- A. All full-time employees shall be entitled to take a maximum of three (3) working days of personal leave per year. The three (3) working days shall not be accumulative from year to year.
- B. Permanent part-time employees as defined in this agreement shall be entitled to eight (8) hours of personal day leave per year. The eight (8) hours may be split into two (2) separate four (4) hour segments.
- C. Employees shall notify the Employer at least five (5) days in advance of their intention to utilize a personal day. In cases of emergency, the five (5) day provision may be waived and Personal Days may be allowed upon the approval of the Employer.
- D. If an excessive number of employees request the same day off for personal reasons and the normal operation of the Employer would be seriously affected by such situations, the Employer would restrict the number of employees allowed to utilize leave days. The first request will be the sole criteria for determining which employee will be granted the day off duty.
- E. All personal leave days may be taken in increments of one-half day. A Personal Day shall be construed to mean the normal schedule of hours of the employee.

MATERNITY LEAVE - ARTICLE 16

Pregnancy will be treated as an illness and subject to all the provisions of this Agreement regarding sick leave.

In compliance with Iowa Code Section 601A.6, disability caused by pregnancy, miscarriage, childbirth and recovery are temporary disabilities and shall be treated as such under the sick leave plan of this agreement. If the employee exhausts accrued sick leave, all accrued vacation and personal days can be used by the employee. - B. The employer shall make an effort to post vacant positions as soon as possible after receiving notice of resignation and retirement so that training can take place.

GRIEVANCE PROCEDURE - ARTICLE 20

- A. **DEFINITION:** A grievance is defined as a difference of opinion between an employee or a group of employees and the Employer, or between the Union and Employer with respect to the meaning, interpretation or application of any term or terms of this Agreement or an allegation that there has been a violation, misinterpretation, or misapplication of any term or specific provisions of this Agreement. It is recognized that the Employer has and will continue to retain the exclusive right and responsibility to operate and manage its programs, facilities, properties, and work activities of its employees as defined in the Management Rights article.
- B. **PURPOSE:** The purpose of this procedure is to secure, at the earliest possible level, equitable solutions to the problems which may from time to time arise under this Agreement. Both parties agree that this proceeding will be kept as informal and confidential as may be appropriate at any level of this procedure.
- C. **PROCEDURES:** The number of days indicated at each level should be considered as a maximum and every effort should be made to expedite the process. The failure of an employee of the Union to act on any grievance within the prescribed time limits shall constitute a waiver of the alleged grievance and will act as a bar to further appeal. An administrator's failure to give a decision within the prescribed time limits shall permit the grievant to proceed to the next step. Time limits may be extended by mutual consent.

It is agreed that any investigation or other handling or processing of any grievance by the grieving employee or their representative, shall be conducted so as to result in no interference with or interruption whatsoever of the duties and related work activities of the grieving employee or of any other employee. The employer shall solely determine whether an interference has occurred under this paragraph.

STEP 1: An attempt shall be made to resolve any grievance under this Article orally, through an informal discussion between the grievant and his/her immediate supervisor.

If requested by the alleged aggrieved employee, a representative may be present at the informal discussion. Grievance shall be presented within five (5) working days of the date of occurrence of the event giving rise to the grievance or the grievance shall be considered waived. The immediate supervisors shall within five (5) days notify the employee of their decision. The Board of Supervisors shall be notified by certified mail of all grievances filed.

STEP 2: If the grievance is not resolved informally at the first step, the aggrieved employee shall file the grievance in writing with the Department Head within five (5) working days of the response of the immediate supervisors. The written grievance shall state the nature of the grievance, spelling out the specific clause or clauses of the Agreement which have been allegedly violated, misinterpreted, or misapplied, and shall state the remedy requested, and the date of the alleged violation. Within five (5) working days after the Department Head received the written grievance, a meeting shall be held, at a mutually agreeable time and place, with the aggrieved employee and his/her representative, to discuss and attempt to resolve the alleged grievance. The Department Head shall render a written decision to the aggrieved employee and the Union, within ten (10) working days following the meeting.

STEP 3: In the event that the grievance has not been satisfactorily resolved in the second step, the grievance may be appealed, within five (5) working days of the receipt of the written decision, to the Board of Supervisors, or their designee. The Board of Supervisors or their designee shall, within fifteen (15) days, respond to the grievance in writing to the employee and the Union. The parties may by mutual Agreement and within five (5) days following the receipt of the written appeal to the Board of Supervisors, schedule a meeting to discuss the grievance. The Board of Supervisors or their designee shall respond in writing to the employee and Union, within ten (10) days following the meeting. Grievance must be taken up promptly and awards and settlements thereof shall in no case be retroactive beyond the date on which the grievance was first presented in written form.

STEP 4: Grievances not settled under the preceding steps shall be submitted to binding arbitration, at the written request of the employee and Union. Requests must be received by the Employer within ten (10) working days of the receipt of the written response by the Employer to step three. Within five (5) working days from the date of the receipt of the written request for arbitration, the Employer and the aggrieved employee and the Union shall meet and either mutually agree upon an arbitrator or jointly petition the Iowa Public Employment Relations Board to submit a list of five (5) arbitrators. Within seven (7) days after receipt of the list by parties, they shall meet and by the flip of a coin determine which party shall strike the first name on the list. They shall alternately strike names and the person whose name is left shall be the appointed arbitrator. The decision of the arbitrator shall be limited to the subject matter of the grievance and shall be restricted solely to interpretation and application of the terms of the Agreement where the alleged violation occurred.

The arbitrator shall have no power to add to, subtract from or modify in part or in whole, the terms or intent of any other part of this Agreement.

Both parties shall share equally the costs and expenses of the arbitration proceedings, including transcript fees and fees of the arbitrator. Each party, however, shall be responsible for their own expenses of witnesses, representatives, attorney fees etc.

Any employee found by the grievance procedure to have been wrongly disciplined, suspended, or discharged, shall be entitled to reinstatement of seniority and payment for time lost, provided however, that such payment shall take into account any penalty which it is determined would have been justified under the circumstances with an arbitration award.

The Union may find initially that the employee does not have a grievance and all review by the Union shall cease. The employee and the Employer shall be notified immediately.

Any employee, not a member of the Union, shall have the right at any time to present his/her grievance to the Employer for adjustment with or without intervention of the Union, as long as such adjustment is not inconsistent with the terms of this Agreement.

- A. The WAGE PLAN for the terms of this Agreement shall be those listed in Appendix "A".
