

STOPPING TO REFUEL DURING COVID-19

- Keep disinfecting wipes in your vehicle to wipe down handles and buttons on the gas pump before touching them.
- Wear a mask while outside of the vehicle if there are others nearby, also refueling.
- While waiting by your car, be sure to maintain at least a 6-foot distance from others, or wait inside the vehicle.
- If entering the gas station, wear a mask and keep a 6-foot distance from others.
- Keep hand sanitizer in your car to use after fueling.
- Wash your hands for at least 20 seconds when you get home or somewhere with soap and water.
