2012 Election compared to 2016

While more absentees were requested and received in 2012, during the 40-days prior to the 2016 election more work was processed. (starting on the 40th day you can vote in-person. 2297 more requests done in 2016)

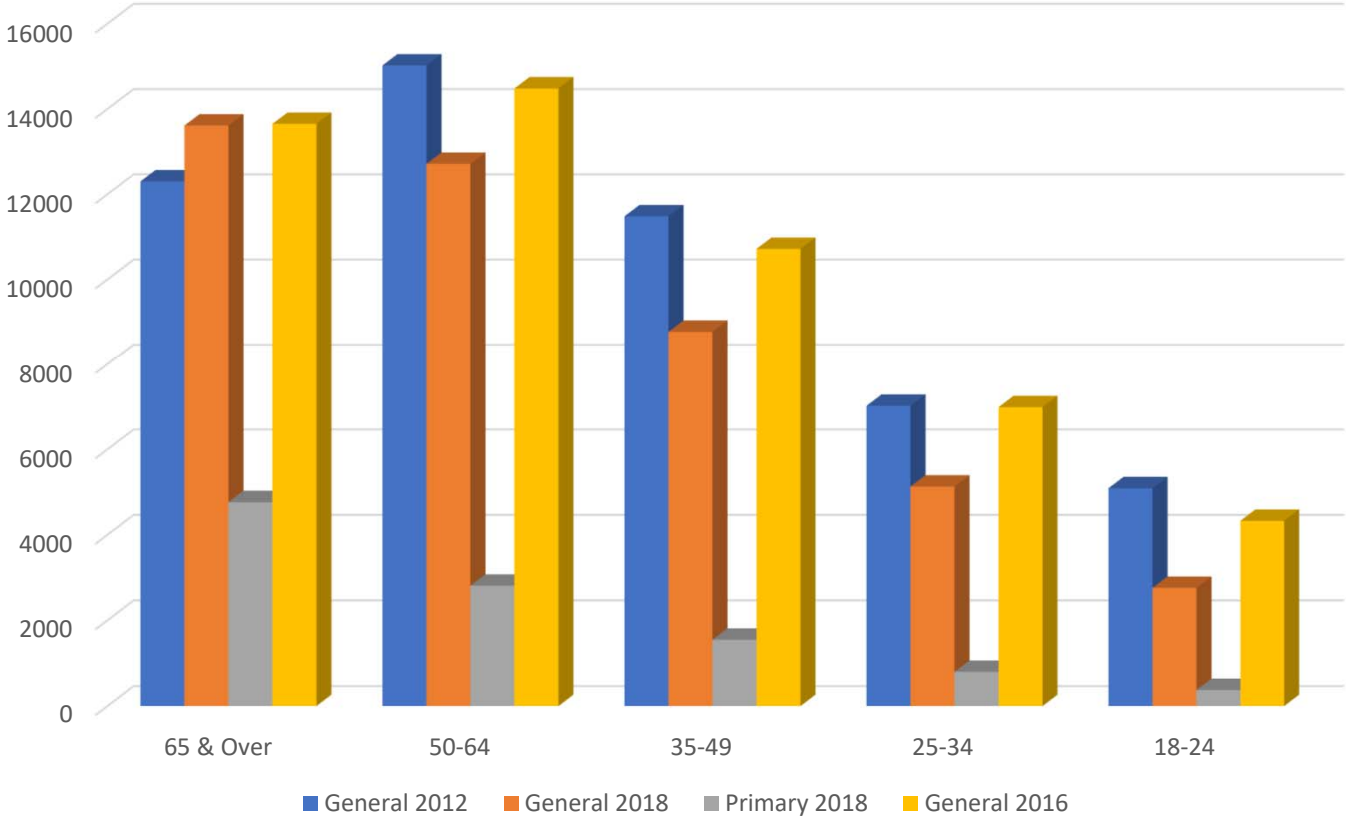

Courthouse in-person record: 234 on 11/4/16 and there was a total of 471 in-person. Then on 11/7/16 there was total of 675 and I'm guessing ½ at courthouse.
